Dear Sir:-

We acknowledge receipt your favor 7th inst enclosing statement of account. Your draft has not yet been presented, but we shall be compelled to send it back for the following reasons:

We note you have charged us tolls on Cedar at full size while it should be discounted 30%. You also xcharged us tolls on the lumber from Three Brooks, while this you should collect from J.D. McLaughlin as they were his logs.

If you will send us a corrected statement we shall be pleased to accept a draft, or will fix it up at the annual meeting, which ever is most satisfactory to you.

Yours truly,

Stetson, Cutler & Co.,
